company profile

Farah Impex Ltd. is a reputable FMCG and Food Sourcing & Buying House. The company is family-owned and it was, founded in 1993 by Agribusiness professional– Mr.Adam China and his sons, Mr. Siraj China, Mr. Safi China, Mr. Suleman China - with an entrepreneurial & corporate background of 20 + years into the food trade.

Supported by a wide variety of traders & food processors, our company has built a traceable and transparent network. From the beginning we have been committed to provide to the South Asian Supermarkets and related Industries in Canada, and establish ourselves as a reliable food product supplier from around the world. Our aim is to bridge the gap of BACK HOME.

We have been successful in establishing long-term business and personal relationships with companies and individuals that share and practice the mutual belief, that honesty, integrity, and reliability are essential to everyone's success. These relationships have allowed us to become a reputed name in the import industry, as well as a leading specialty food supplier from the Indian subcontinent.

We are able to service our customers' needs with a vast variety of food products which includes: specialized commodities, processed foods (frozen & non-frozen), Basmati rice, specialty oils, cooking pastes, full range of spices and herbs and other related ingredients. Our expertise in these product categories is strengthened by having worldwide connections with an extensive network of producers and suppliers who share our belief in long-standing relationships and trust, together with supplying premium quality products.

Through concentrated effort and determined purpose, we are confident to provide our customers with the Best Value, - Quality, Service and Price – for all kinds of food needs with better service, higher quality products, and faster response time. In addition, we aim to meet the needs of our producers and suppliers as valuable, licensed and bonded, customers.

our mission

The mission of Farah Impex Ltd. is to reach unmatched levels as a reliable & committed Agro Food Sourcing & Buying house and, to continually exceed our customer, producer, and supplier expectations with Premium Quality food products and approachable Service solutions.

We know that our mission is not realized until it is recognized as the primary reason each of our customers, producers, and suppliers choose to work with us. Our past, present, and future long-term commitment to the industry and to each of our customers, producers, and suppliers is made possible through our collective experience and our belief in the importance of honesty, integrity, reliability, longstanding relationships, and trust. Our sincere promise is that we will work tirelessly to exceed your expectations and we very much welcome this challenge.

We welcome you to our sustainable food business service enterprise & value your trust to act as our long-term business partners. We also look forward to act as committed suppliers in the

food business & add value to your business endeavors.

Our Company - Farah Impex Ltd is based in Toronto, Canada and heavily focused on Foods of South Asian Origin.

We have a 30,000 SQFT Warehouse Distribution Facility, to better and efficiently serve our clients.

Our own sales team is regularly on the road, visiting each and every client on a weekly basis. We also provide our own delivery to service clients directly. For out of town deliveries, private transport firms are used to move the goods in an organized and efficient way.

Farah Impex Ltd. is a demand driven organization, with specific focus on over bridging the demand and supply gaps. We are always on lookout for like minded partners and are keenly looking forward to act as your reliable, transparent and long-term distribution partner.

building brands & growing categories

Our goal is to be a leader in our category. To be the most trusted name in the food and Agri-Commodities. To Create Options for Suppliers , Increase Value for Retailers and Delight Consumers with Quality, Freshness and Value.

WINNING WITH CONSUMERS

Innovate, Communicate and Fulfill their Needs

EXPANDING REACH

Build Availability & Accessibility, New Business and Routes to Market

WINNING WITH CUSTOMERS

Eliminate Waste, build Long Term Value and Growth

OPTIMIZING THE VALUE CHAIN
