Who are we?

With years of experience in manufacturing magic light/air dry/modeling clay and play sand, Shanghai Mao Ying Trading company has been selling quality fun products around the world. We are specialized in providing DIY toys for kids. We have our own factory and design team to provide the best OEM/ODM services.

Vision:

With the vision of "Joy to the world", we wish to share the true joy, not only to kids but to everyone. We believe the feeling of joy is the happiness with full satisfaction. As the electronic products become the trend of the toy, children are gradually losing the ability of creativity and hand's on DIY. And those are our nature abilities. We wish to continue this joy again to everyone in the world. Joy to the world~
